What Is Going On Tonight.

American Benefit Society, Willimantic Lodge, No. 129, meets at 7:30, Main St. United Order Golden Cross, Willimantic Commandery, No. 256, meets.

The meeting of Willimantic Rotary club was held Tuesday noon with a good attendance. During the meeting it was announced that the local club led its division in attendance for November, making five months since June that the local club has attained this honor. Several new songs were sung during the meeting, and regular reports were read by Secretary Charles W. Hill.

The special committee assigned to give an ex-service man proper care for Christmas reported through James H. Fullerton that the man and his wife were taken care of and that the man received Saturday his first check for \$10 from the state fund for soldiers. These checks will continue to come. One other local party had contributed to the fund to aid the man and his wife. It was stated that the man was now in a position to earn his own way and in the future could provide himself and wife. The club's share of the support for Christmas was voted paid.

James P. Mustard was called upon to speak on the Insurance Code of Ethics. He gave an interesting ten minutes' talk on the problems met by insurance companies and the many ways in which they had aided the public in the past. At the close of his remarks members asked questions relative to insurance problems which were answered by Mr. Mustard. The 50 per cent insurance clause was fully explained.

A surprise of the meeting came when President Frank H. Ross on behalf of the members paid tribute to a member who had worked faithfully for the club and to whom should go the credit for the fine attendance record attained by the club. He then presented Secretary Charles W. Hill a Rotary watch chain as a token of the appreciation of the members for the work done by Mr. Hill during his term in the past year. Mr. Hill responded briefly, stating that it was his desire to continue to serve his fellow club members, following out the Rotary code of "service above self." It was announced that a speaker would be present at the session Jan. 3d. The meeting adjourned with the singing of The Star Spangled Banner.

At the Congregational church house this (Wednesday) evening there is to be a reunion of the Gresham and Sedalia members, who will enjoy a social and dance under the auspices of the Boy Scout troop. As many of the young people of the church are home for the holidays, it is expected that the social will be largely attended.

In the police court Tuesday morning Joseph S. Barker for Peter Rocheville, was charged with having in his possession intoxicating liquors with intent to sell. He asked for a continuance until Thursday, which was granted. His case will come up at the same time as that of Peter Rocheville, who faces a charge in connection with the raid Saturday night. The case of William H. Segur, charged with passing a bad check on H. Schumann, was again postponed this time until Thursday morning. The case of Michael Marzola, who conducts a grocery store on Main street, charged with violating the Sunday closing laws, will come up at police court this (Wednesday) morning.

In the United States court at Hartford Tuesday afternoon two Willimantic men

paid fines totaling \$650. They were John McQuinn and Peter Rocheville. The Quinlan appeared without counsel and had nothing to say in his own defense. He was fined \$350. Rocheville's case was disposed of following a plea of guilty and he was fined \$300.

William Robert Robinson of Brattleboro, Vt., and Miss Della M. Dumaine were married Monday morning at 7:30 o'clock at St. Mary's church by Rev. J. J. Paillon, the pastor. They were attended by Henry Racicot of Norwich, a nephew of the bride, and Miss Azilda Dumaine, the bride's sister. The bride wore a traveling suit of dove delaine trimmed with beaver, with hat to match, and carried a bouquet of blue roses. Her maid wore a gown of dark blue broad cloth trimmed with beaver, with hat to match, and carried American Beauty roses. Following the church ceremony, breakfast was served at the home of the bride's parents, Mr. and Mrs. A. A. Robinson, of Cedar street, only members of the families attending. Mr. and Mrs. Robinson will spend their honeymoon in New York, after which they will reside in Brattleboro, where the groom is employed by the Central Vermont railroad. The bride until recently was employed by the Holland Silk company.

Bids for the proposed new schoolhouse at Windham Center were opened Tuesday afternoon at the Chamber of Commerce building, the lowest bid that of \$33,725, by Doyle & Murphy of this city. The only bid to come beneath the appropriation of \$35,000 for the erection of the school. There were seven bids in all. Following the reading of the bids, the committee figured on the feasibility of equipping the building, as well as the heating, plumbing, electric lights and other incidentals. It was stated that about \$12,000 additional will be needed to equip the building. A call will soon be issued for a special town meeting to ask the voters for the additional appropriation.

The contract was not awarded at the meeting, as the bids were not in conformity with the terms of the contract. The company of Hartford were told to hold themselves in readiness to erect the building, provided the additional amount is appropriated. The members of the school building committee present were George E. Taylor, chairman, George S. Elliott, George Cook, Elbert A. Case and Mr. E. Lincoln. The names of the bidders are as follows: Doyle & Murphy, \$33,725; Latham & Crane, Willimantic, \$41,686; O. L. Willard, Willimantic, \$38,124.35; Peck-McWilliams Co., Norwich, \$37,935; the Lawrence & Son Co., Hartford, \$37,654; the Bartlett-Brinard Co., Hartford, \$35,881; Doyle & Murphy Co., Willimantic, \$33,725.

The postoffice force is getting credit for their work during the past year. As business on both the recycling and sending ends was 10 per cent larger than last year, the highest year in the history of the postoffice; yet the fact that but two pieces of mail remain undelivered shows perfection. These two pieces could not be delivered, as the addresses have been destroyed. One parcel, a Christmas book, has marked on the flyleaf "To My Dear Sister, Write You a Merry Christmas, Mamie Johnson." The other package contains an apron and a handkerchief marked "Christmas Greeting to Dorothy from Ella and Jim. Merry Christmas, Alton." These packages were in the bottom of the sacks and no addresses could be found.

Funeral services for Mrs. Jennie F. Tucker were held Tuesday afternoon at 2 o'clock at North Windham, Rev. A. D. Carpenter of this city officiating. Burial was in the North Windham cemetery, in charge of Jay M. Shepard.

Joseph Felt, son of Mr. and Mrs. Salvatore Felt of No. 21 High street, died Monday night at St. Joseph's hospital after a short illness with pneumonia. He was born in Sicily June 21, 1889, and came to this city in 1913. During the world war he tried to enlist but was rejected. He finally entered the service at Brooklyn, N. Y., and was assigned to transport service. He was discharged from the service in 1920. He was engaged in the theatre business in this city with three brothers, Alfred, his parents, Mr. Salvatore Felt, four sisters, Mrs. Salvatore Lantieri and Misses Teresa, Delphine and Mary Felt, and a cousin, Raphaela Perrina, of New York city.
